Re: MUR 5381
America First Credit Union

Dear Jeff

We spoke yesterday about my client's desire to submit confidential lending practice information and personal financial information under seal in its response to this case. This information will be very useful to the Commission's deliberation but should not be placed on the public record.

I have not heard back from your office about this request. Although we are ready to submit our response, we cannot do so until this issue is settled.

Accordingly, please consider this letter to be a temporary extension of time to respond to this complaint until the Commission's Enforcement Division contacts me to answer this request.

Sincerely,

Craig Engle
